“ Through my friend, Diane Costa, I met Gene and Donna through her memories. I met and had lunch with Robert, Ryan and Randy, Melanie and the boys. These are wonderful people... they made me feel like family. I am so very sorry for the loss of your dad and grandpa. Your pain is in my heart.

“ Sympathy to the family of Gene. We are so sorry for your loss. We will miss not seeing Gene, as he would always stop by on his 4-wheeler. We would talk about work, life, hunting fishing or what ever we felt. I knew Gene from Pella Corp, and he was always a sot-after maintenance man at work. He was very proud of his grand kids. So sorry that he is gone, but he is with Donna now. I know if I listen hard , I will still hear his 4-wheeler coming down the lane for a chat. God Bless you Gene.
