“ I have nothing but great memories of Lloyd and how he always treat me. Looking back now It is real easy to see what a great husband and dad he was and what a great example he was to me as I got older and had my own family,

“ Lubertha,

As I was retiring last night, two memories of Lloyd came to me I'd like to share. When I was a pre-teen I learned that Lloyd had made the Oskaloosa H.S. Football team. There was no athleticism on my side of the family (and still isn't) so I was so excited to tell my young friends that my older cousin was playing football for Oskey. The other memory comes from Barbara June's wedding at Irene's. You were amazing everyone with your strong and skilled piano playing. You could just see the sense of pride that swept over Lloyd's face as he realized how much admiration was coming from those attending. I trust your continued love of music will be of some comfort to you in these trying times. Larry Hutchins

“ Thank you for sharing these memories Larry! The love my grandparents shared was amazing and watching my grandma say her goodbyes to grandpa yesterday is something I will never forget. They were still truly in love with each other. 71 years of marriage is amazing and I am so proud of that.
