“ Bobby has mowed the lawn and shoveled the walks at our church, St. Paul Congregational Church, for many years. He has always worked so hard and been very reliable - willing to do what needs to be done - raking in the fall, too!

Now that I'm on the church board that takes care of the building and grounds, I have gotten to know Bobby better in the last few years. We had many talks about how to work on the weeds in the yard or how to try to save the giant pin oaks out front and still be kind to the environment.

Bobby wasn't able to do winter work the last couple of years because of health concerns. So, I hadn't seen him for several months. The people at St Paul were so shocked and so sad to learn of Bobby's passing. We will miss his presence in the life of our church. We will keep you, his family and good friends, in our prayers in the days ahead.
