“ I have a lot of memories. I babysat for this *full of energy, ornery little guy*. There was never a dull moment as he lived life to its fullest. After many years away, I moved back to the New Sharon area where our paths once again crossed. He was still ornery & full of life, but now a *big guy* (smile). He stepped up to help me a couple times without hesitation. And, was a best friend to my son. Steve...you will be missed, kiddo. I am praying for all in this time.
